UNIT 1 - PERSONAL  
ARTS DEVELOPMENT  
UNIT 2 - ARTS  
LEADERSHIP PROJECT

Is this for me?

The Gold Arts Award is our highest recognition of your abilities as a Creative Arts Leader; and is accredited by Trinity College, London. At Gold level, you are working as an arts practitioner while broadening your horizons within the Arts World.

This will extend your creativity, communication, planning, teamwork and leadership skills.

It is beneficial both at a personal development level and also to support your progression through any education, training or career pathways.

## What will I do?

- ◆ You will create a portfolio containing evidence of your work, your plans and the process of your development.
- ◆ Choose a format for your portfolio that reflects and expresses you as an artist - it can contain any medium or mix of media.
- ◆ Keep sketches, photos, notes, diagrams, DVDs and references from peers and professionals who have worked with you. This will end up being a wonderful resource and a professional document that will enhance your application to university and/or interviews for employment.

There are two units and nine sections to the Award:
