

Year 7 Transition Bulletin

Episode 1: Uniform

Bodmin College students are proud to wear their uniform and we're sure you are looking forward to joining them in looking smart and wearing your new school uniform with pride.

Uniform is a really important part of a school's culture; it helps students to feel that they belong to a community, it teaches them to take pride in their appearance and it establishes that they are coming to a professional environment where learning and work takes priority. Bodmin College believes first impressions count. Ensuring students attend school smartly dressed and in school uniform is the foundation for high standards in all aspects of school life. Moreover, our uniform removes any additional pressures for students to wear expensive, branded items.

Full details about the Bodmin College uniform can be found here. This has recently been updated to include further guidance for students, parents and carers: [Bodmin College Uniform](#). Both Keywear and Fitness for Sport will be in attendance at the Year 6 Induction Evening on 4th July.
