

EDUCATION AND EARLY YEARS

Do you love working with children? Are you creative, caring, patient and fun?

This course combines engaging lessons with hands-on experience. You'll split your week between BCX and work placements in childcare settings and primary schools.

You'll learn to support children, plan activities, prepare food and create exciting learning environments. Experienced teachers will support you as you prepare for a career in education and childcare.

ASSESSMENT

Internal and external assignments.

COURSE STRUCTURE

One year, full time at BCX.

ENTRY REQUIREMENTS

Minimum of Grade 4 in either English or Maths at GCSE.

PROGRESSION

By the end of the course, you'll be ready to progress to the T Level in Education and Early Years or move into an apprenticeship, paving the way for a career in education and early years.

GROWTH

BCX is not just about studying - it's about developing and growing as a person. At BCX experience will prepare you for life.

Our **GROWTH** programme focuses on six key areas to help you become your best self.

G

GIVING BACK

Engaging with your community through volunteering, mentoring, and social action.

Think leadership, care, and being a role model!

R

RESILIENCE AND WELLBEING

Building mental strength, emotional awareness, and healthy habits.

Mindfulness, mental health awareness, and staying mentally strong.

O

OPPORTUNITIES TO ENRICH

Exploring new ideas, challenges, creative projects, and cultural experiences.

Competitions, entrepreneurial projects, trips and creativity.

W

WORK AND LIFE SKILLS

Preparing for independence with careers advice, financial literacy, and life skills.

Careers guidance, understanding banking and budgeting, and skills to succeed.

T

TECHNOLOGY AND DIGITAL SKILLS

Developing confidence online, digital literacy, and IT capabilities for the future.

Safe social media, digital content creation, using computers for study and work.

H

HEALTH AND PHYSICAL ACTIVITY

Staying active, healthy, and energised through sport and fitness.

Sports teams, clubs, trying new activities, nutrition, and health lifestyles.
