Course Overview

Education and Early Years

Level 2 T Level Foundation Programme in Education and Early Years

Do you love working with children? Are you creative, caring, patient – and full of fun?

This one-year course gives you hands-on experience in both childcare settings and primary schools, helping you build real skills while working as part of a supportive team dedicated to helping children thrive.

You'll build up towards splitting your week between Sixth Form and a work placement, combining practical experience with engaging theory lessons. You'll learn everything from supporting babies and toddlers to planning activities, preparing food, and creating exciting play and learning environments.

You'll be taught by experienced teachers who will support you every step of the way as you prepare for a career in education and childcare.

Assessment

- Both internal assignments and external assessment, plus work-based assessments.

Course Structure

- One year, full time. Initially full-time at Bodmin College, building to a mix of time at Bodmin College and time on a work placement.

Entry Requirements

- You will need a GCSE grade 4 in at least English or Maths, and be committed to achieving the other while in Sixth Form.

Progression and Future Opportunities

- By the end of the course, you'll be ready to progress to the T Level in Education and Early Years or move into an apprenticeship, paving the way for a career in education and early years.
