

COMPLAINTS PROCEDURE

INTRODUCTION

Bodmin College is dedicated to providing the best possible education and support for all its pupils. This means having a clear, fair, and efficient procedure for dealing with any complaints so that any issues that arise can be dealt with as swiftly and effectively as possible.

A concern or complaint can be made by anyone, not just parents of attending pupils.

This policy does not apply to complaints about:

- Pupil admissions
- Pupil exclusions
- Statutory assessments of Special Education Need (SEN)
- Matters likely to require a Child Protections Investigation
- Staff grievance and disciplinary procedures
- Whistleblowing

This policy is to be used and informed by the DfE Best practice guidance for school complaints procedures (2019) and policies and procedures relating to unreasonable complainant behaviour.

All time limits refer to 'working days'.

Cut-off Limits

It is arguably reasonable to expect parents to make a complaint as soon as possible after an incident arises but there may be good reasons why a parent has not made a complaint earlier (e.g. they were gathering further information to support their complaint or they were not fully aware of the implications of an incident until a later date).

Bodmin College considers three months to be an acceptable time frame in which to lodge a complaint. Additional time can be provided in exceptional circumstances.

Duplicate Complaints

Duplicate complaints are those received from a spouse, partner, grandparent or child. If the College determines that the matter is a duplicate complaint then we will inform you that the matter has already been dealt with and the local process is complete. In these circumstances you are advised to contact the DfE if you are dissatisfied with the management of the original complaint.

Complaint campaigns

If we consider that we have become the focus of a campaign through receipt large volumes of complaints all based on the same subject or from complainants unconnected with the school we will either send a template response to through our Parent Bulletin. This will be published on our website.

INFORMAL PROCESS

Most concerns can be resolved by talking to the member of staff concerned. If the concern is not resolved by speaking to a member of staff, you should then request that an appropriate line manager help resolve the issue. Should you be uncertain as to who constitutes an 'appropriate line manager', then please contact reception for assistance.

If your first contact is with individual governors, you will be asked to take up your concerns with the Principal or the appropriate member of staff (as above). A Governor should not be made aware of a potential complaint as they may be required to sit on a panel in the event of a formal hearing.

If you choose to raise your concerns with the Local Authority, Council Officers will ask you for your written consent to share information regarding your complaint with the College. If you decline to provide your consent, the matter will not be taken any further. If you do provide consent, the Council will pass your concerns for action by either College staff or Governors.

Informal meeting/s

We hope that most complaints can be settled quickly and informally, either by putting matters right or by providing you with an explanation.

If you are invited to attend an informal meeting with a member of staff to discuss your concerns you are welcome to bring a friend, partner or, in the case of a pupil who has raised a concern, a parent to this meeting. It may be appropriate for a pupil to attend the meeting if their parent has raised a concern.

All staff will do their best to ensure that your concerns are dealt with appropriately and efficiently but if you cannot come to an agreement, or are dissatisfied with the outcome of your meeting, you can make a formal complaint in writing to the Principal.

FORMAL COMPLAINTS

- **If your formal complaint is about a member of staff**, you should first raise this with the Principal either in person or in writing, and appropriate arrangements can be made.
- **If your formal complaint is about the Principal**, you should raise your concern in writing with the Chair of Governors.
- **If your formal complaint is about a Governor**, you should raise your concern in writing with the Clerk to the Governing Body.
- The Chair of Governors will refer complaints that are taken straight to them back to the appropriate member of staff if they have not followed the correct procedures.
- If your complaint relates to the entire governing body, you should raise your concern in writing with the Clerk to the Governing Body who will determine the most appropriate course of action.

In order to ensure that complaints are processed efficiently and effectively, we deal with formal complaints in three stages.

Stage 1

Write to the appropriate person to outline the nature of your complaint and dissatisfaction with the outcomes of the informal processes. If no such processes have taken place then the matter will be referred back to the informal stage. In the letter you should:

- Make it clear why you are complaining;
- Say who you have spoken to already;
- Explain what you want to happen as a result of your complaint.

The Principal will appoint an Investigating Officer (IO) who will investigate your complaint and inform you of the outcome within 10 working days.

The Principal will, through the IO, ensure that you understand any future points of action that have been agreed, as well as any outcomes and if appropriate a plan of action.

If your child has a Statement of Special Education Needs (SEN) you might find it helpful to talk to the Special Educational Needs and Disabilities Co-ordinator (SENDCo).

Stage 2

If, having progressed through Stage 1 of the formal processes, you remain dissatisfied with the outcome, you may lodge your complaint with the Chair of Governors. In the letter you should:

- Make it clear why you are complaining;
- Say who you have spoken to already;
- Explain what you want to happen as a result of your complaint.

The Chair of Governors will arrange for your complaint to be considered and investigated under the arrangements approved by the Governing Body. This is likely to involve a Panel of Governors.

You should make sure that the Governors Panel is provided with any written information or evidence to support of your complaint.

When the panel has fully investigated your complaint, the Chair of Governors will respond to you in writing within 28 days outlining their response to your concern, and any action that has or will be taken. If they have decided not to take any further action on the issue, they will explain what they have decided, how they have reached this decision, and will outline your right of appeal and how you can start your appeal.

Stage 3

If you would like appeal the outcome of a formal complaint, you can write to the Clerk to the Governing Body to exercise your right of appeal within 10 working days. The Clerk will acknowledge your appeal and make the necessary arrangements, and will usually convene the Appeal Panel within 10 working days from the acknowledgement being sent. Where it is not possible to find a mutually convenient date within that timescale, a further timescale will be agreed with you.

The Clerk will ensure that all parties to the appeal have access to the same documentation and set out a timetable to support the collation and circulation of documents.

The Appeals Panel

The Appeals Panel will consist of members of the Governing Body. No member of the Governing Body can sit on the Appeals Panel if they have had any former knowledge or involvement in the

case that is being dealt with at that time. The panel will consist of 3-5 governors and a Chair who will be nominated from within that group. All panel members will be familiar with and have access to the complaints policy.

If you are making a complaint and you are a parent of a pupil, the Appeals Panel will comprise of 3-5 governors not directly involved in the matters detailed in the complaint and an additional panel member who will be independent of the management and running of the College.

Appeals procedure

The procedure for an appeal is usually follows:

The chair will introduce the panel members and outline the process.

The complainant will explain the complaint.

The Principal and panel will question the complainant.

The Principal will explain the College's actions.

The complainant and panel will question the Principal.

The complainant will sum up their complaint.

The Principal will sum up the College's actions.

The chair will explain that both parties will hear from the panel in writing within 14 days.

The clerk will stay to assist the panel with its decision making.

The Chair of the Panel/Clerk to governors will notify the complainant of the panel's decision in writing within 10 working days of the appeal hearing. The letter will set out the decision of the panel together with the reasons underpinning that decision. The letter may set out recommendations which will be made to the Governing Body and will set out any further rights of appeal.

The Appeals Panel may:

- dismiss all or part of the complaint
- uphold all or part of the complaint
- decide on the appropriate action to be taken to resolve the complaint
- evaluate all the evidence available and recommend changes to the College's systems or procedures as a preventative step against similar problems arising in the future

Most complaints are resolved by this process. Should your complaint not be resolved, you can complain to the Secretary of State at the Department for Education:
