

16 – 19 funding: 16 to 19 tuition fund

The 16 to 19 tuition fund is being used to mitigate the disruption to learning arising from coronavirus (COVID-19). The funding is being provided to support small group tuition for 16 to 19 students in English, mathematics, and other courses where learning has been disrupted.

Bodmin College has prioritised support for students who have not achieved a grade 4 in English and/or mathematics. Where it is possible funding available within our allocation may also be used to support any young people with a grade 4 who also require catch up support. We have prioritised students that will benefit most from small group tuition and considered the needs of students with special educational needs and disabilities (SEND), particularly where they have experienced additional disruption to learning as a result of their specific needs and disabilities.
