

BODMIN COLLEGE

PARENT BULLETIN

February 2018

Striving for excellence by putting the learner first

Message from the Principal

As Easter approaches so I would like to offer any parent who would like to have a personal tour of the College during the working day to come and see us in operation. Its a great chance to see the site and our students in action. Each tour will take an hour and be led by myself or a member of the senior leadership team at the College. To book a tour of our College, please contact the main office who will confirm a date and time with you.

With Mock Examinations behind us, we now look forward to the main event in the summer and, not to forget, the internal examinations for Years 7, 8, 9 and 10. Please continue to encourage your child to be well organised and to prepare well for their forthcoming examinations.

I should note a concern I have and, I hope we can resolve. The reputation of the College is very important and, as such, I would really encourage you not to use social media as a platform to air grievances. It very rarely helps and seems only to serve to upset other people, our staff and students indirectly or directly involved. Should you have a concern or worry, please contact your son/daughters' tutor, their class teacher or the Head of Year via the main office or student planner. We are here to help and will always do our very best to do so. B Elliott
