

Dear Parents/Carers

After a hugely successful 2019 ski trip to Ponte Di Legno, Italy we are now advertising for places for next Easter's excursion.

You will be receiving this letter for one of three reasons. 1) Your son/daughter went on this year's ski trip 2) You replied to an email sent by the College and have expressed an interest for your son/daughter or 3) Your son/daughter signed up on the initial interest sheet outside the PE office. Either way we are offering them the chance of a place on the next ski trip next year.

Places available: 50
Year groups: Year 7-13 (including any current year 6 students joining in September)
Dates: 1st week of Easter holidays.
Country/Resort: Montgenevre

Price: £900 including coach transfer & ferry crossing, full board accommodation (breakfast, lunch and dinner), lift passes, ski equipment hire including skis, boots and helmet, 5 hours a day of ski instruction in ski school, winter sports insurance and evening entertainment/activities.

Hotel: TBC

If you would like your son/daughter to go on the ski trip, please complete and return the slip below along with a £100 deposit to Mrs Gough in the finance office by Friday 13th July. After that date, any money paid, including your deposit will be non-refundable and a payment schedule will follow that will include monthly Instalments to help spread the cost.

In the meantime if you have any further questions please feel free to contact me at the College on any of the details shown below.

Thank you for your support and I look forward to taking the students on what promises to be an exciting and enjoyable trip.

Yours faithfully

Scott Helgesen (Lead Teacher)

Bodmin College Ski Trip

I would like my son/daughter Tutor Group to have a provisional place on the Bodmin College Ski trip. I have enclosed a deposit of £100 (I understand that this is refundable up until Friday 13th July 2019. It will also be refunded if the trip does not run).
